- San Francisco, CA
- Full Time
- Entomology
- Experienced

SHARE (HTTPS://CALIFORNIAACADEMYOFSCIENCES.APPLYTOJOB.COM/APP/SHARE

We hope you are inspired by what we do and are excited to contribute to our mission. The Academy is looking for candidates who do great work, and we know they may come from a number of different backgrounds and experiences. We encourage you to apply even if you do not believe you meet every one of the qualifications for the position.

Please note: Beginning Friday, August 27, Academy employees and volunteers will be required to provide proof of COVID-19 vaccination or undergo testing and provide negative test results before they are able to work on-site or off-site with others.

POSITION SUMMARY:

This full-time position (40 hours per week) is under the supervision of the Entomology Collection Manager. The California Academy of Sciences Entomology & Arachnology collections contain over 18 million specimens and are growing steadily. With a very active loan program, tasks will be focused on maintaining the timely shipping and receiving of specimens across both dry and wet collections, as well as taking on curation projects. Duties include, but are not limited to, assisting with loan shipping and receiving, routine collection curation and maintenance, database management, hosting visiting researchers and public tours, and volunteer and intern training. Occasionally this position will provide field or lab assistance at the request of the Collection Manager or Curators.

While independent research is encouraged, it is not part of regular duties.

POSITION DUTIES AND RESPONSIBILITIES:

- When a request is received, the employee will pack and ship specimens, fill out necessary paperwork, and contact the recipient about impending arrival of specimens.
- When a loan return is received, the employee will place the specimens back in the organized systematic part of the collection in a timely manner.
- General curation and maintenance of dry and wet collections.
- Will help maintain collection databases for loans, specimens, lots, and accessions.
- Database and image specimens as needs arise.
- May work with and train volunteers, docents, and interns to help with the collection
- .Follow all Academy safety regulations
- Other duties as assigned

MINIMUM QUALIFICATIONS:

The requirements listed below are representative of the knowledge, skill, and/or ability preferred or required.

EXPERIENCE and/or EDUCATION :

A qualified Candidate will possess a combination of the following experience and/or equivalent education:

- Knowledge of laws and regulations pertaining to shipping and receiving of biological materials.
- Advance knowledge of entomology, a specific field of expertise, and collection preservation techniques preferred.
- Bachelor’s Degree in natural science, or equivalent education and experience.
- 2-3 years of experience working with collections and a general knowledge of entomology.

KNOWLEDGE, SKILLS AND ABILITIES:

- Must be able to read fine print and interpret documents such as safety rules, operating and maintenance instructions, and procedure manuals.
- Ability to write routine reports and correspondence.
- Ability to speak effectively before groups or individuals.

- Must be able to print legibly.
- Must be computer literate and able to type with minimal errors.
- Must be detail oriented and have good manual dexterity to manipulate small, fragile specimens without damage.
- Must be able to work both independently and as a team member, and with a diversity of stakeholders.

WORK ENVIRONMENT:

Reasonable accommodations will be made to enable individuals with disabilities who meet the job's essential functions. While performing the duties of this job, the employee is frequently required to stand, sit, walk, and communicate. . Must be able to transport 50 lbs. Must be able to perform repetitive motions 40% of the time.

APPLICATION DEADLINE: Applications will be reviewed on a rolling basis until the position is filled.

APPLICATION PROCESS:

Please upload your resume and complete the brief online application.

The California Academy of Sciences will give full consideration for employment to all qualified applicants with criminal histories in a manner consistent with the requirements of the San Francisco Fair Chance Ordinance (https://sfgov.org/olse/fair-chance-ordinance-fco) **(SF Police Code, Article 49).**

The California Academy of Sciences is an Equal Opportunity Employer and is committed to ensure that all employees and applicants receive equal consideration and treatment, regardless of race, color, creed, gender (including gender identity or gender expression), religion, marital or domestic partner status, age, national origin or ancestry, physical, mental or medical disability, sex, sexual orientation, citizenship, military service status, veteran status, or any other characteristic protected by state or federal law or local ordinance.
