iDigBio EODI Coordinator

PC=APPLY&LJOBID=524020&LJOBSOURCETYPEID=796&SLANGUAGE=EN-US)

JOB NO:
524020

WORK TYPE:
Staff Full-Time

LOCATION:
Main Campus (Gainesville, FL)

CATEGORIES:
Arts/Museum, Education/Instructional

DEPARTMENT:
56022700 - NH-IDIGBIO-INTEG DIGITAL BIOCO

CLASSIFICATION TITLE:	Education/Training Spec II

JOB DESCRIPTION:

iDigBio-focused effort

1. Coordination of communication among the members of the iDigBio EODI subcommittee, including: organizing and implementing periodic EODI meetings, documenting the meetings, disseminating information, etc.
2. Develop a calendar of EODI activities at iDigBio and prepare EODI reports for iDigBio.
3. Report on the EODI activities of the TCNs.
4. Develop, maintain, and update EODI content for the iDigBio website and related websites.
5. Participate in the regular meetings of the iDigBio Steering Committee, TCN Advisory Committee, Core Team, EODI team, etc.
6. Lead exhibit tables at festivals and fairs that have iDigBio-related content, e.g., Butterfly Fest, Earth Day, and Can You Dig It events at the Florida Museum, as well as other regional, statewide, and national science fairs and festivals. Develop materials that could be (re-)used at these events (e.g., exhibit props, brochures, posters, etc.).
7. Lead the planning and implementation of EODI workshops sponsored by iDigBio.
8. Attend professional meetings and present, or report on iDigBio EODI activities.
9. Promote iDigBio services and/or educational and outreach programs through meetings with civic clubs and organizations.
10. Provide leadership in the development, promotion, and delivery of Diversity and Inclusion activities on behalf of iDigBio, to include connecting with NSF INCLUDES, providing workshops focused on inclusion, broadening participation, and the increase of diversity in professions of the biological sciences as well as iDigBio, tracking diversity indicators for the biodiversity science community to be included in reports to NSF, and partnering with the Office of Academic Support to produce the annual iDigTRiO conference.
11. Seek and inform project leadership of diversity grant funding and work with project leadership in preparing grant proposals.

Network-focused effort

1. Via a liaison within each Thematic Collection Network (TCN), develop and manage a schedule of current and projected EODI activities. This list should be available in the general calendar on the iDigBio website and therefore available for access by all potential stakeholders. Determine synergies among the TCNs and communicate this to the liaisons in an effort to grow network, collaboration, and outreach programs.
2. Develop regular communication with each TCN EODI point person via email, e-newsletters, wikis, blogs, etc.
3. Communicate special events and opportunities that would be of general interest to one or more TCNs.
4. Team with TCN partners and other collaborators on developing and implementing diversity and inclusion activities in conjunction with or independent of iDigBio,

Jointly focused activities

1. Facilitate communication among iDigBio, TCNs, and other stakeholders via e-communication and social media.
2. Organize and lead a virtual meeting of the iDigBio EODI subcommittee and representatives of each TCN.
3. Research, develop, and help to network common activities, to facilitate and grow EODI activities and collaborations.
4. Participate and/or lead portions of workshops and meetings that have EODI content and report back to iDigBio on these activities.

Research, development, and innovation

1. Actively look for additional ways to engage other downstream users with relevance to EODI, e.g., K12 formal education, 4-H, Audubon, Seniors, underrepresented populations.
2. Develop linkages and partnerships with these entities.
3. Develop proposals for projects that achieve iDigBio goals and objectives.

Other duties and opportunities, as required

1. Perform other relevant tasks as requested by project leadership and administration.

EXPECTED SALARY:	$65,000.00; commensurate with education and experience.
MINIMUM REQUIREMENTS:	Bachelor's degree in an appropriate area and four years of relevant experience, or an equivalent combination of education and experience. Must have a valid driver's license.
PREFERRED QUALIFICATIONS:	Master’s degree with at least two years of relevant experience in a STEM field relevant to iDigBio, museum operations, digitization workflows, and/or science education (either formal or informal learning). Experience with developing education, outreach, diversity, and/or inclusion plans for higher education and/or grants, A strong understanding of biodiversity collections is highly desired. Demonstrated ability to communicate and collaborate effectively with university administrators, faculty, and staff.
SPECIAL INSTRUCTIONS TO APPLICANTS:	In order to be considered, you must upload your cover letter, resume and list of references. This is a time-limited position. Application must be submitted by 11:55 p.m. (ET) of the posting end date.
HEALTH ASSESSMENT REQUIRED:	No

ADVERTISED:

04 Oct 2022 → Eastern Daylight Time

APPLICATIONS CLOSE:
11 Oct 2022 → Eastern Daylight Time
